Skills

Technologies & Tools: ReactJs, React Native, Node.js, GraphQL, Kafka, Docker, Fastify, NestJS, TypeORM, MongoDB, PostgreSQL

Languages: JavaScript, TypeScript, Java

—

Experience

Software Engineer   *March 2024 – Present*
Bridgenext

- Designed and implemented **Kafka-based ingress and egress services** to enable seamless communication between distributed microservices.
- Collaborated on **front-end mobile development using React Native**, delivering reusable UI components.
- Gained hands-on expertise in **MongoDB integration, event-driven architecture**, and microservice communication patterns.

Associate Software Engineer   *November 2023 – March 2024*
Bridgenext

- Built an internal **Visitor Management System** to log employee entry/exit times, currently used by over 50 employees.
- Participated in Agile-based development processes and learned end-to-end **Software Development Life Cycle (SDLC)** within a logistics-focused environment.
- Led the successful **migration of databases from PostgreSQL to MSSQL** for several microservices.
- Spearheaded **backend development for a logistics-focused mobile application using NestJS and GraphQL**.
- Migrated backend services from Fastify-based REST APIs to a scalable **GraphQL architecture using NestJS**.

Intern / Trainee Software Developer   *January 2023 – October 2023*
Bridgenext

- Developed a full-stack **Blog Application using React, Node.js, Express, and SQL** as part of a hands-on training program.
- Contributed to a **React Native mobile app** for a logistics client by building and testing multiple user interface screens.
- Gained foundational experience in modern web and mobile development frameworks and libraries.

—

Education

Rajarambapu Institute of Technology, Sangli   *August 2019 – June 2023*
Bachelor of Technology, Computer Science and Engineering

- CGPA: 8.2/10
- **Relevant Coursework:** Object-Oriented Programming, Databases, Discrete Mathematics, Data Structures and Algorithms, Operating Systems, Computer Networks.

—

Awards and Certificates

- ○ **Apollo Graph Developer - Associate Certification** – Apollo Graph Inc.
- ○ **Bridgenext Excellence Award** – Bridgenext Technologies
